

EMERGENCY RESPONSE & DISASTER MANAGEMENT PLAN (ERDMP) CERTIFICATION MOCK DRILL.

Mangalore Refinery and Petrochemicals Limited (MRPL) organized an offsite mock drill as per “Petroleum and Natural Gas Regulatory Board (PNGRB) regulations 2010” (Notification dated 18th Jan 2010 and Amendment dated 17th Sept 2020) (Codes of Practices for Emergency Response and Disaster Management Plan (ERDMP)) for Road Transportation of Transportation Fuel on 28th of October 2022.

The scenario envisaged was an incident of a minor leak from a manifold reported by the driver of a Tank Truck. The scenario was executed well through active and enthusiastic involvement of all internal departments as well as mutual aid agencies, neighbouring members of the industrial fraternity and various wings of district administration.

The exercise was led by GGM - Marketing and was supported by CGM-Marketing, various GMs, and other members of team MRPL. The Transporter informed the same to Site Incident Coordinator (SIC). The emergency plan was executed by the response team, and the drill was successfully accomplished.

A review of the mock drill was held at MERC, MRPL Township, immediately after the drill. Mr Suryanarayana – GM (MO), narrated the sequence of events in an eloquent manner. Dharmendra Kumar Yadav – CM (MO), coordinated the proceedings. PNGRB observers Shri Rama Murthy Lead Auditor ERDMP Academy Bhopal, and Shri U V Aithal, Auditor ERDMP Academy Bhopal, presented their observations.

Shri Rajesh MishriKoti Deputy Director Factories & Boilers (DDF), Shri. M. Z Nawaz District Fire Officer, Police, Home Guard. Neighboring Industries HPCL

and BASF supported as Mutual Aid members along with MRPL Fire & safety and Security were present during the mock drill.
